

Transit Australia Group

Why Drive for Sunbus?

Sunbus is owned by Transit Australia Group and operates in five beautiful locations across Queensland (Cairns, Townsville, Magnetic Island, Rockhampton and the Sunshine Coast) and boasts a fleet of modern and comfortable vehicles.

Driving for us offers lifestyle benefits, flexible working hours, and hundreds of different route services to experience.

Our drivers are highly respected motivated professionals dedicated to the delivery of quality public transport. Our team of drivers are the backbone and face of our organisation and because of this, we look after them.

Sunbus drivers are trained to achieve high standards in all facets of their work including safe driving practices and great customer service.

Following the successful completion of the Induction and Route Service Training, drivers are encouraged and financed to obtain *Certificate 3 Transport & Logistics (Road Transport)*. This nationally recognised certification training is valued at \$1500, and may soon be required to obtain your Bus Drivers Authority.

To become a bus driver with Sunbus, you will need:

Licence: Medium Rigid
Driving Authority (QLD) Classes G & S

Licence and Authority must be in state of residence.

If you are interested in joining the Surfside Driving Team, download an application from the employment page and fax back to relevant office below:
